

Corzo Castella Carballo Thompson Salman, P.A. (C3TS) is a full-service multi-disciplined engineering and architecture firm with offices throughout Florida. C3TS has been recognized as an Engineering News Record (ENR) Top 500 consulting firm and a State Certified Hispanic Minority Business Enterprise (MBE) experienced in the development of transportation facilities on a statewide level. With diversified in-house services including, Architecture, Engineering, Environmental, Planning, and Public Relations, in addition to construction engineering inspections, C3TS can be instrumental in the overall success of any project by providing a single source for a multitude of professional design needs.

Our Environmental Division seeks an Environmental Specialist for our Coral Gables and/or Fort Lauderdale office. This candidate must have a Bachelor's degree in physical or natural sciences with two (2) or more years experience or related experience with a Master's degree. Candidates must have a basic understanding of south Florida ecosystems and the NEPA process. Excellent communication, organizational and technical writing skills are required. A valid driver's license with a good driving record and the ability to work in the field are required. Knowledge of local, state and Federal permitting regulations and GIS experience is also desirable.

Major responsibilities of the Environmental Specialist include the following:

- Performs environmental data collection and impact analysis for transportation-related projects.
- Performs detailed review of roadway and bridge design plans.
- Identifies environmental impacts associated with the proposed activities.
- Assists in the resolution of environmental issues.
- Prepares environmental impact and technical reports for transportation projects.
- Mitigation site monitoring and reporting.
- Ability to work independently in the field and utilize GIS databases to collect a variety of data to use for environmental analysis.
- Prepares GIS maps and graphics needed for environmental reports and permit applications.
- Coordinates with clients and agency personnel.

A relevant work history is required. Salary is commensurate with level of experience and qualification. C3TS offers a generous benefits package. Applicants must be eligible to work in the United States and have a valid driver's license.

Qualified candidates should send a letter of interest and resume by Email to careers@c3ts.com.

Resumes will be accepted until the position is filled. C3TS is an Equal Opportunity Employer dedicated to building a culturally diverse workforce, while providing a safe and relaxed work environment for all our employees.
